## Directors Corner With Dr. McDavid

We are drawing ever so closer to an event that I just could not be more excited about; the first ever *National Collegiate Alumni Band Symposium*, **July 17-18**.

For years I've wanted to share the successes of our alumni band program with my colleagues across the nation as well as to give HMBAA the opportunity to hear from other prominent alumni band programs. This event is going to enable us to do both! First and foremost, I just want anyone in HMBAA to know that if you're a current board member, perhaps thinking about someday running for a board position, or simply interested in gathering with other former college band members and reveling in each other's stories, here is the perfect opportunity for you!

If you can't attend the symposium, you are certainly encouraged to attend the "Welcome Reception" which will be held in Conibear Shellhouse on the evening of Thursday, July 16<sup>th</sup>. All sessions are being held in the Don James Center begin at 1PM on the 17<sup>th</sup> and continue through the evening of the 18<sup>th</sup>. The Welcome Reception is complimentary although we would very much appreciate knowing if you plan to attend. We are also taking all attendees on a dinner cruise of Lake Union and Lake Washington. If you are not an active participant in the symposium, you are still welcome to attend the cruise for the nominal fee of \$40. check out the link for the event at: <http://www.huskymarchingband.org/workshops/symposium/>. You can pre-register for the entire symposium by way of the link. If you are not a current member of the board but would like to attend either the welcome reception or the dinner cruise, we are handling those HMBAA reservations on an individual basis. To RSVP for other of those ancillary events, please email Husky Band program coordinator, Josh Chan at [jtchan@uw.edu](mailto:jtchan@uw.edu). Currently the universities whose alumni bands are sending representatives are:

*UW, British Columbia, Cal-Poly San Luis Obispo, Florida, Georgia, Indiana, Montana, Montana State,*

*Old Dominion, Ohio State, Ole' Miss, Oregon, Oregon State, Pittsburgh, Tennessee, San Diego State*

*Virginia Tech, Washington State*

Best wishes for a fabulous summer and hope to see many of you soon!

Go Dawgs!

# *President's Letter*

Football season is nearly here! Let's kick it off right by spreading our purple & gold throughout the city. Make this year memorable by bringing one HMBAA friend with you to double the fun!

Remember, our involvement in events like the Torchlight parade and the VA Game creates a lasting and positive influence on our young Husky Band members and future HMBAA members. Let's all do what we can to help keep the HMB tradition alive and strong. As the new football season approaches, watch your email for pep band sign-ups. Husky fans love to have us play our spirited Husky tunes for their birthday celebrations, weddings, company parties and other events. These are fun to play for and a strong source of scholarship revenue.

Thank you for being a part of HMBAA and let's all give something back in 2015 so this incredible HMB experience will continue for each new generation of Huskies.

Thank you for your support!

Go Dawgs!

Stan

## Our tournament has something for everyone:

For those new to golf tournaments, we'd like to assure you that this event is not cutthroat, in fact far from it. At every hole, each member of the foursome takes a turn to hit the ball--the team takes their next shot from the position of the best hit ball. Mulligans, or "do overs" can be purchased to give your team additional help. This means it is possible for your team to do well in the tournament with three lousy golfers and one good golfer. (Even bad golfers are bound to get lucky and have a few good shots throughout the day!) Besides, driving the golf cart is a lot of fun!

For experienced golfers, we have hole-in-one prizes for all par 3 holes (including a 1-year lease on an Acura!), longest drive and closest to the pin contests, and this year, winning our event will qualify your foursome to play in the 2015 Acura College Alumni Team Championship.

**Not a golfer?** Join us for our Award Dinner & Auction; the cost is \$35.

If you have questions about registration, would like to sponsor our tournament, or would like to donate items for our auction, please contact **Kris Van Gasken** ([206.679.8742](tel:206.679.8742))
